

**Trainer - Water Distribution
Trainer - Water Treatment**

XCG File # 10-0323

***Attention: Retired or Semi-Retired Water and Wastewater Operators.
This may be an opportunity for you. We need your skill and
expertise!***

XCG Training and Operations Inc. is expanding its training and operations business. XCG is currently looking for experienced trainers/operators to develop and deliver water and wastewater (classroom and hands-on) training courses to its clients throughout Ontario. These positions are “as-needed” (part-time), and travel is required. XCG is committed to providing high quality customized training programs to its municipal and First Nations clients.

Duties:

- Deliver training material for water and/or wastewater courses
- Deliver classroom and hands-on courses to municipal and First Nations operators

Qualifications:

- At least three (3) years experience in developing and delivering water and/or wastewater courses for municipal operators
- At least five (5) years experience in operating water or wastewater facilities in Ontario
- Able to travel to small communities throughout Ontario
- Strong presentation and communication (verbal and written) skills
- Working knowledge of various computer applications, including Microsoft Word, PowerPoint, Excel, etc.

Salary Range: \$35/hr to \$45/hr depending upon qualifications and experience

Deadline: Submit resume by April 15, 2010.

If you meet the requirements above and are looking for a new and challenging opportunity, please forward your resume to jobs@xcg.com to the attention of the Human Resources Manager quoting the above job number.

XCG Training and Operations Inc. is an equal opportunity employer. We appreciate all applications however, only those selected for an interview will be contacted.
