

Employment Opportunity: Territory Manager  
1 Position Available

Work Location: Eastern Ontario

Description: Make-Way Environmental Technologies Inc. is currently seeking a Regional Sales Manager for Eastern Ontario.

The candidate selected will have a good working knowledge of this area and a good understanding of septic systems. This person must be a self starter and motivated to call on septic system contractors, engineers and regulators.

Make-Way Environmental Technologies Inc. is the Ontario distributor for the Whitewater® Aerobic Treatment System, Delta Pre-Engineered Drip Systems and the Enviro-Septic® System. We also carry a complete line of plastic septic tanks, effluent and sewage pumps, PVC schedule 40 pipe, control panels and the Make-Way Soil Separator filter cloth.

Qualifications:

Sales experience with a focus in the septic industry, excavation, drainage industry or construction or plumbing trades will be an asset.

A BCIN certification will be an asset.

Special consideration will be given to those who demonstrate time management skills, excellent communication skills and proficient computer skills.

Salary: to be discussed

Status: permanent, full time

Start Date: April 01, 2010
