

11th Annual
Onsite Wastewater Conference & Exhibition
April 11-14, 2010
London Convention Centre
London, Ontario

"Protecting the Environment in a Challenging Economy"

This conference is an opportunity for all people involved in the onsite industry to meet and learn from each other. Installers, Pumpers, Designers, Engineers and Regulators from across Ontario will discuss current issues ranging from new technologies to the future of watershed protection using onsite systems. With more than 40 exhibitors, the exhibit area is a must-see for anyone interested in new products and technologies.

★ Register by Mar. 01/2010 for the full conference and be eligible to win your OOWA Registration ★
