

**Ontario Onsite Wastewater
Annual Conference & Exhibition
APRIL 15 - 17, 2012
Deerhurst Resort
Huntsville, ON**

"The Future of Onsite Wastewater Treatment in Ontario"

This conference is an opportunity for all people involved in the onsite industry to meet and learn from each other. Installers, Pumpers, Designers, Engineers and Regulators from across Ontario will discuss current issues ranging from to the future of water protection to changes to the building code.

With more than 40 exhibitors, the exhibit area is a must-see for anyone interested in new products and technologies.

★ Register by Feb. 28/12 and be eligible to Win your Conference Registration ★
