

Septic Installer Course

Did you know that under the Building Code Act
ONTARIO REGULATION 350/06 - BUILDING CODE - 3.3.3.7. Conditions

(1) The following are the conditions of a registration:

(a) the registered person shall ensure that the construction on site, installation, repair, servicing, cleaning or emptying of sewage systems carried out by the registered person **is supervised by a person who has the qualifications** set out in Clause 3.3.3.2.(1)(a),

This means you must have a licensed person on site at all times.

**Onsite Sewage Systems 2006
(Revised 2010) Part 8 Course**
Monday Nov 28 - Fri Dec. 2 - 2011
Chatham Legion
39 William St N Chatham, ON N7M 4L3
(519) 351-8733

This 5 day (35 hr) course deals with the requirements related to the onsite sewage systems regulated under the Ministry of Municipal Affairs and Housing Building Code (systems with design capacity up to 10,000 Litres per day).

Don't miss out on this opportunity to learn the requirements to obtain your Septic Installers license

Have your staff attend to obtain their license

You Must Pre-register to Attend
