

The **Ontario Onsite Wastewater Association (OOWA)** in partnership with **Cansel** is proud to offer its members the opportunity to purchase surveying and other equipment that Cansel has available at a discounted price from any **Cansel** location in Ontario. By having your membership with OOWA members can take advantage of services and discounted items available from this valuable partner.

**Bringing more value to your Ontario Onsite Wastewater Association membership!
Now your business can take advantage of a better GPS Mapping, GPS Survey, Survey, Construction, General Line and Forestry products.**

Cansel is now the largest distributor of land-based positioning systems in North America and a market leader, with nine locations across Canada and over 100 employees.

Here's How it Works

Simply call your local **Cansel** representative in your area (see location phone list) and in one simple step begin saving your company money. Place orders online, fax, or by phone.

As a **Cansel** customer some of the key features you will receive are:

- **Personal Attention** – a dedicated Account Manager will work with your company to ensure your supply needs are met.
- **Orders** – can be placed several ways, by fax, phone or online.
- **Online** – www.cansel.com
- **Prices** – you'll enjoy everyday low prices, receiving discounted prices on all purchases.

Locations - Cansel is the largest distributor of quality survey, GPS and construction layout equipment in Canada, with nine locations coast-to-coast. To reach the sales office nearest you, call toll free anywhere in Canada: 1-888-222-6735.
