

Join OOWA

If you know someone who works in the industry, encourage them to join the Ontario Onsite Wastewater Association. The onsite industry is at the front line of environmental protection. Only as a team can we build the profile and recognition throughout Ontario this industry deserves.

The onsite industry is composed of a diverse group of professionals including: Installers, Suppliers, Regulators, Sewage Haulers, Designers, Researchers, Engineers and Academics. www.oowa.org/join

Insurance Program

**Dedicated to Serving
OOWA Members**

About the Insurance Plan

As Ontario's recognized stakeholder OOWA seeks to support its membership with opportunities and resources as well as promote professionalism and the betterment of members and the industry at large. The existence of a dedicated insurance source helps ensure the availability of affordable access to all of the coverage requirements facing septic contractors today. **"Now, more than ever, membership in OOWA has its rewards."**

Who buys their insurance from  ?

We provide insurance to:

- Installers
- Designers
- Pumpers
- Portable Toilet Rentals
- Inspectors
- System Operators
- System Manufacturers

"After several years with my existing insurance company, watching the cost for insurance increase with no changes to our plan, I began to seek quotes from other insurance companies. That is when I met Dan Sherk from the OOWA Insurance Plan. He was able to give me the same insurance plan at a substantial reduction in premium costs. The staff is very friendly, knowledgeable and prompt in their responses. Concerns have been handled with the utmost discretion and compassion.

Since joining the OOWA Insurance Plan, I have referred a number of clients to them so that they can also reap the benefits that they have to offer."
