

OOWA is pleased to announce that PartsSource is OOWA's newest program partner offering quality products with excellent customer service.

PartSource is an automotive parts specialty store designed to meet the needs of major purchasers of auto parts - professional automotive installers and serious do-it-yourselfers.

The PartSource store experience ...

With an extensive selection of quality brand name parts, competitive prices, outstanding services and a team of expert staff, PartSource delivers a quick in-and-out purchase experience as well as choice and convenience.

With thousands of auto parts in stock, our Pros can also access an additional 60,000 parts on a same day or overnight basis. Every PartSource store is staffed by experienced auto parts professionals and licensed automotive technicians who share their customers' passion for cars and trucks.

PartSource offers OOWA Members Great Savings and Service

- Convenient shopping hours including evenings and weekends. Quick in-and-out shopping experience
- Highly competitive pricing
- Strong assortment of quality, national brand names
- Highly trained and skilled staff of licensed technicians and auto part experts
- Value-added services including loan-a-tool, brake drum and rotor turning, and an automotive look-up centre to locate model-specific repair instructions
- Access to an additional 60,000 products on an urgent basis
- Tailored product assortment based on the needs of local vehicle population

Stores: PartSource is building Canada's foremost auto parts specialty chain. Launched in 1999, we are currently 59 locations in Ontario.

Customer Profile: PartSource customers are typically the motivated "do-it-yourselfer" and professional installers.

Store Format: A standalone automotive parts and accessories store with approximately 7,000 square retail feet and approximately 15,000 products in-store.

OOWA is excited to have PartSource as an OOWA Partner.

We continue to strive to provide the best in services to our members.

Start saving today by contacting your local PartSource location and ask for your local Area Sales Manager to have your account set up.
