

The Ontario Onsite Wastewater Association (OOWA) is sponsoring two annual education scholarship awards to support student members or students of OOWA members who are enrolled in a post-secondary program and are within the returning years of their respective full time programs.

The value of the annual scholarship is:

- University Award \$2,000.00
- College Award \$1,500.00

Preference will be given to applicants who are enrolled in programs that will benefit the onsite wastewater industry. I.e. Environmental Studies, Public Health Enforcement, Wastewater Treatment, Civil Engineering, Heavy Equipment Construction Program. Confirmation of summer internship or employment in the onsite industry will also be considered.

The University award is available to any student currently enrolled at an Ontario University. Students must be a member of OOWA or child of an active OOWA member. Participants may only receive the award once during their studies.

University requirements to be included in application package:

- Letter of interest
- Statement of course of study
- Two letters of reference with signatures
- Transcript of related program grades
- Proof of OOWA membership (Student or Parent)

The College award is available to any student currently enrolled at an Ontario College. Students must be a member of OOWA or child of an active OOWA member. Participants may only receive the award once during their studies.

College requirements to be included in application package:

- Letter of Interest
- Transcript of related program grades
- 2 letters of reference with signatures
- Proof of OOWA membership (Student or Parent)

Submissions to be in a PDF electronic file format and emailed to op-coordinator@oowa.org, attention "OOWA Scholarship Program". Applications must be received by Friday, February 15th, 2019. Successful applicants will be announced by March 1st, 2019 and will be recognized at OOWA's Annual Convention and Expo on *Monday, March 18th, 2018*.
