

OUR JOB IS TO KEEP YOUR FLEET MOVING

NAPA and Ontario Onsite Wastewater Association are pleased to announce a new partnership and preferred pricing agreement. Are you trying to effectively manage your Fleet amid New Vehicle shortages, and supply chain issues? Did you know that NAPA can help?

With over 500,000 SKUS, NAPA offers over 500,000 automotive parts, products, tools, equipment, and accessories for :

- Vehicles manufactured in North America from 1910 to today
- Equipment and products for paint and body shops
- Imported vehicles
- Small engines
- High-performance and all-terrain vehicles
- Industrial applications
- Agricultural applications
- Fleet vehicles
- Municipal Vehicles

As new vehicle supply shortages, and supply chain issues plague our industry, Fleet Managers need to pivot, and have a solid backup plan. NAPA is more than just a parts supplier- we are your business partner - your success is our success. NAPA is poised to help keep your fleet vehicles on the road for as long as is required. NAPA has Fleet Programs designed for both our Smaller and Larger Fleet Customers. NAPA has over 130 partnership agreements – the most comprehensive in the automotive aftermarket, and our National Team of Fleet Specialists are available to support you and your fleet in this ever-changing climate.

Contact us today to discuss the needs of your fleet, and how we can support you in keeping your fleet moving:

- Consistent pricing profiles on a local, regional, or national level, so that you always know what you are going to pay and can budget accordingly. No surprises.
- Inventory planning at the Store, and Distribution Centre level to ensure that we have what you need when you need it.
- Comprehensive reporting tools to ensure you have the data you need to make informed decisions about your fleet.
- Online ordering including Shop Management Software integration.
